OBJECTIVE: Audio/Video Technician/Programmer

EDUCATION Adelphi University, Garden City, New York 11530

EMPLOYMENT

June 2008 – Thul Electronics, Inc.
March 2009 PO Box 534
730 Nottingham Road
Avon, Colorado 81620

I worked with Thul Electronics, Inc. as an Installer/Programmer in daily operations installing major multi-room multi-source audio systems, dedicated home theaters, whole house lighting systems, and home automation in the greater Vail Valley.

November 2007- Beaver Creek Ski Patrol
April 2008 Beaver Creek
Avon, Colorado 81620

I worked with Beaver Creek Ski Patrol as part of their Yellow Jacket program. Worked beside Ski Patrollers with medical emergencies and protocols and daily routines ranging from setting up the mountain to providing medical coverage to running loaded rigs and all around mountain maintenance. Worked outdoors in harsh weather conditions all season long. Also established a good familiarity with the mountain and its type of customers.

September 2004 Audio Interiors, Inc.
November 2007 Home Theater and
Custom Audio/Video

Hauppauge, New York

I worked as an Installer/Programmer in daily operations installing major multi-room multi-source audio systems, dedicated home theaters, whole house lighting systems, and home automation in NYC, Greenwich, CT and the Hamptons among many other places. Audio Interiors is annually listed in the top 20 of the CE Pro Top 100 companies of the country and has been in business for over 25 years. Audio Interiors is very reputable and a well sought after company in the greater New York Metropolitan area.

Nov. 2003-
September 2004 The Natural Installation, Inc.
Home Theatre and Custom
Audio/Video
Coram, New York

I oversaw all sales, designs, and installations of residential audio/video systems for a full service audio/video company as well as sub-contractual work. This has allowed for an introductory into structured aspects of business management as well as a real-time tutorial in common business practices. Systems range from the same as previous work in addition to more involved control systems, higher quality equipment and overall higher-end applications.

Jan. 2001 –
Nov. 2003 P. C. Richard and Son
Audio/Video Installation
Farmingdale, New York

Install all aspects of audio/video systems throughout the greater metropolitan New York area. Systems range from basic surround sound home audio units to complex customized installations, including whole house audio, structured wiring, basic phone systems, and basic universal remotes.
